Profile

With a knack for telling compelling stories through Data, I bring experience engaging with stakeholders, through a year in customer service, four years in Aged Care, three years as a Business Owner managing a family business, and five years as a Loan Officer. An eager learner, I use my transferable skills gained, combined with the technical and soft-skills learned during a 13-weeks Data Analytics bootcamp to further my Data Analytical skills to invest into my future organisation.

Skills

Technical Skills

- Python
- SQL
- PowerBI
- Git
- Shell
- Agile

Soft Skills

- Time Management
- People Management
- Ability to work in a team
- Growth Mindset

Experience

Graduate , Data Analytics Bootcamp

July 2023- Oct 2023 *Generation Australia*

- Hands-on experience using Python, SQL and PowerBI while utilising exceptional attention-to-detail to analyse and visualise data.
- Program consisted of a combination of self-driven, independent work and collaborative team-work.
- Utilised strong problem-solving and analytical skills to solve complex business problems and provide solutions for projects and course-work.

Bus Operator

Sept 2022 - July 2023 *Busways, Glendenning, NSW*

- Developed excellent communication skills and attention to details.
- Served more than 500 passengers a day with more than 90% customer satisfaction score.

Managed Family-owned Dairy Business

Aug 2019 - Aug 2022 *Kathmandu, Nepal*

- Coordinated with all the stake-holders to make quality dairy products available to consumers during disruption caused by Covid-19.
- Managed all aspects of the dairy business leading to an increase of net-profit by 50% within 3 years.

Admin Officer

Feb 2015 - July 2019 *Zion Lutheran Aged Care, Brisbane, QLD*

- Developed attention to detail by Completing behavioural documentations, and by rostering.
- Developed team skills by liaising with team members, health professionals and external agencies.

Loan Officer

Feb 2008- Dec 2013 *Standard Chartered Bank, Nepal*

- Started with selling various consumer loan products to customers.
- Managed close relationships with external parties such as car dealers, property developers, and large employers to ensure steady flow of customers for loan products.
- Became the highest seller of customer loan products in the bank in 2009.
- Moved into assessing and approving consumer loan applications equivalent to Au\$ 500,000.
- Used attention to detail and research skills to approve loans. Had a default rate of less than 0.1% , one of the best in the bank.
